Re: Power Purchase Agreement between Duke Energy Progress, LLC and Cotton Solar, LLC
Docket No. 2021-____-E

Dear Ms. Boyd:

Pursuant to S.C. Code Ann. § 58-41-20(E)(1), Duke Energy Progress, LLC (“DEP” or the “Company”), hereby submits the attached Power Purchase Agreement (“PPA” or the “Agreement”), executed by the Company and Cotton Solar, LLC on September 9, 2021, for acceptance by the Commission.

Due to the commercial sensitivity and proprietary nature of certain portions of the Agreement, DEP respectfully requests that the Commission find that pursuant to S.C. Code Ann. Regs. 103-804(S)(2) and S.C. Code Ann. § 30-4-40(a)(1), certain provisions of the PPA are exempt from disclosure under the Freedom of Information Act, S.C. Code Ann. §§ 30-4-10 *et seq.*

The information contained in the PPA for which DEP seeks protection derives economic value from not being generally known to, and not being readily ascertainable by proper means, by other persons who would be able to obtain economic value from its disclosure. Disclosure of this information would reveal confidential pricing and conditions, as well as delivery parameters and details of the operating characteristics of the facility, all of which are proprietary and specific to this counter-party. In recognition of the confidentiality of the information, the parties to the PPA agreed to confidentiality provisions which prevent either party from disclosing any term of the PPA to any third party without the prior written consent of the other party. Protection of this information is consistent with the Commission’s recent orders protecting similar information in other power purchase agreements in Order No. 2021-627, issued on September 15, 2021, in Docket

No. 2021-255-E and Order No. 2021-628, issued on September 15, 2021, in Docket No. 2021-256-E.

Accordingly, the Company respectfully requests that it be permitted to file the confidential version of the PPA under seal and maintained as confidential pursuant to Order No. 2005-226. Attached with this letter is a redacted version of the PPA that protects from disclosure the commercially sensitive and proprietary information, while making available for public viewing non-protected information. Additionally, we are hand delivering a confidential version of the Agreement to the Commission and providing an electronic copy to the Office of Regulatory Staff.

Sincerely,

Heather Shirley Smith
